

Why Choose Stellar?

Stability - We have been successfully serving clients in Central Illinois for over 20 years. Stellar can provide you with proven, dependable services to meet both your current and future project needs.

Quality - We employ the people, processes and tools to get the job done right. Stellar's attention to quality means that your project will be completed on time and within budget.

Technical Ability - We employ a full time professional programming, networking and management staff. We have the talent and resources to provide you with intelligent, effective solutions in a timely and cost effective manner.

Business Experience - Our experience spans many industries and businesses both large and small. This means that we "hit the ground running" and are not learning at your expense.

Accessible - Our convenient location in downtown Peoria means that we are not far from your office. We are available when and where you need us.
